AleSmith

Anvil ESB

5.5% ABV

Available year round in 22oz bottles & draft

Anvil ESB is our interpretation of a traditional British-Style pub ale, was the first beer produced when the brewery opened, and remains our flagship ale.

The nuanced yet bold flavor profile of Anvil ESB will compliment a wide variety of foods from simple bar snacks to haute cuisine entrees. Hearty dishes like shepherd's pie pair particularly well alongside Anvil ESB, as do English Farmhouse and Mild Creamy Cheeses.

AleSmith X

Extra Pale Ale

5.5% ABV

Available year round in 22oz bottles & draft

AleSmith X is hoppy enough to cut through rich foods like burgers and pub fare but light enough in body and alcohol to not overwhelm soups and salads. This beer pairs well with Brie, Farmhouse Cheddar, and many Goat Milk Cheeses.

Multi Award winner, including Silver at the California State Fair, and People's Choice at the San Diego Real Ale Festival.

AleSmith IPA

7.25% ABV

Available year round in 22oz bottles & draft

The beer's citrus and pine notes pair well with fresh, aromatic herbs, citrus-based dressings, and Asian-inspired flavors. IPA's refreshing bitterness and dry finish also help temper the heat of spicy foods and contrast the tangerines of farmhouse cheddars and spicy blues.

AleSmith Grand Cru

10% ABV

Available year round in 750ml bottles & draft

This beer's depth and complexity make it an excellent match with a wide array of foods. The caramel flavors pair well with rich, roasted main dishes like pork or duck, while the dark fruit character is an ideal accompaniment to fruity deserts or funky, washed-rind cheeses.

Speedway Stout

Coffee Imperial Stout

12% ABV

Available year round in 750ml bottles & draft

Speedway Stout is a HUGE Imperial Stout, with pounds and pounds of coffee added during conditioning for a little extra kick! This is a limited-edition Formula and it'll definitely get you racing!
