

Catching Up

Arrowhead Pale Ale (Evan Gundy)

Marshall Brewing Co - Tulsa, OK

5.2% ABV, 40 IBU - Summer, 12oz Bottles & Draft

Rocky Mountain Oyster Stout

(Robert Lutter)

Wynkoop Brewing Co - Denver, CO

7.5% ABV, 3 BPBs (Balls Per Barrel) - 2-Pack 12oz Cans & Draft

Ingredients include Colorado base malts, roasted barley, seven specialty malts, Styrian Goldings hops, and 25 pounds of freshly sliced and roasted bull testicles.

Debuted at GABF 2012 as a draft-only offering, this beer started out as an April Fool's joke video. The beer is made in tiny 8-barrel batches (instead of our usual, already small 20-barrel batch) and is the first in our new Even Smaller Batch Series of beers. (A barrel of beer equals 31 gallons and two standard 15.5 gallon kegs.) The new hand-canned version of Rocky Mountain Oyster Stout is being sold in unique twopacks of labeled 12-ounce cans. It'll be available at select retailers in our Denver distribution area.

Ethos IPA (Chase Smiley)

Dry-Hopped India Pale Ale

Tallgrass Brewing Co - Manhattan, Kansas

6.8% ABV, 110 IBUs - Year round, 16oz Cans & Draft.

The beer foretold in legend. Six types of hops are gathered from the corners of the world to make this legendary brew. This is no earthly IPA. They will write ballads, build monuments, paint caves, and sacrifice goats to this beer. They will drink Ethos and dance to shake the heavens. The aroma is the harbinger of the tastes to come. Big, bright, and beautiful, this beer exceeds all expectations and grants wishes. Twice dry-hopped and brewed with the aid of a dark alliance from another realm, this beer bestows upon you all the complexity of the hops' flavors without overwhelming your senses. Ethos IPA is a gift to you, beer mortals. Drink it and fulfill your destiny.

Farmer's Reserve #3

Ale aged in wine barrels with strawberries & nectarines

Almanac Beer Co - San Francisco, CA

6% ABV - 375ml Bottles & Limited Draft

Our third entry in our barrel-aged Farmer's Reserve series is an ode to summer. When summer comes to California's farmer's markets, the stands explode with mountains of stone fruit and strawberries. We selected the sweetest coastal strawberries from Swanton Berry Farm and high summer Crimson Baby nectarines from Blossom Bluff Farms to make this tart, wild ale as a celebration of our California summer.

Aged for 12 months in used white wine barrels with a blend of wild belgian yeasts and bacteria, this tart and bright wild ale has a huge aroma and tart finish.

Recommended Pairings: Grilled Nectarines wrapped in prosciutto, Summer salads with strawberries and toasted almonds, Triple cream cheeses.

Size 7 IPA (Chase Smiley)

Steel Toe Brewing - Saint Louis Park, Minnesota

7% ABV, 77 IBU - Year-round, 22oz Bottles, Draft

While the size of the boot might be a bit small, the intensity of the hop flavor and aroma in Size 7 more than makes up for it. We take prodigious amounts of hops and add them any chance we get to this Northwest style IPA. If you ever call Size 7 balanced we'll kick you where it hurts (in the hop sack).

Simtra IPA

Triple IPA

Knee Deep Brewing Co - Lincoln, California

11.25% ABV, 131 IBU - 22oz Bottles & Draft

Simtra Triple IPA delivers a punch in the face with its very danky hop aroma derived from Simcoe and Citra hops. You wanted more hops you got them.
